Dear Samkelo,

**Letter of gratitude from SABPP**

Your presentation at the 7th SABPP HR Standards Annual Summit has reference.

On behalf of the SABPP Board, Management and staff, I would like to sincerely thank you for honouring us with your presence and for your powerful presentation which was well received by the delegates. Conversations continued on social media. The delegates cannot thank us enough for bringing you to our premium event.

We would like to keep the conversation going and therefore, request that you provide us with an article, if you can, that relates to your topic of discussion and we will publish it in our next "The People Factor" Magazine. I would appreciate if I could get the article within the next 2 weeks.

I would like to keep our relationship growing and would appreciate any advice, guidance that will make the HR Profession stronger.

Let us use foresight to re-imagine the future with people at the centre of everything we do.

SABPP Greetings

Xolani Mawande: MHRP
